The screenshot shows the Satcom Post website layout. At the top, there is a navigation bar with links for Home, About, Contributors, Archives, Terms of use, News, Contact, and English. A search bar is located on the right. Below the navigation bar, the main header features the Satcom Post logo, a small satellite icon, and two logos: DATUM SYSTEMS and PRECISION SATELLITE MODEMS. A secondary navigation bar lists categories: ANALYSIS, COLUMNS, INTERVIEWS, NSR, SPONSORED, and TOOLS. The main content area is divided into several sections. On the left, there is a large article titled "IntelSat EpicNG – Platform Characteristics" with a world map showing the satellite's coverage area. To the right of this article is a "Connect with Satcom Post" section with social media icons and a 3D rendering of a white van with "NEWS Satcom Post" written on it. Below the main article, there are sections for "INTERVIEWS" featuring an article by Emiliano Kargleiman, CEO of Satellogic, and "NSR Research" featuring an article about "Satellites and In-Flight Connectivity – A Match Made in Heaven?". There is also a "SPONSORED" section with an article about "VSAT Latin America" and a "TOOLS" section with an article about "Calculate Bandwidth Savings with Sharper Roll-off Filters". On the right side of the page, there is a "News Feed" section, an "Our Sponsors" section listing NSR, DATUM SYSTEMS, SEVIS, and XipLink, and a "Satcom Post is a Gold Event Partner for" section featuring a banner for "VSAT2013 LATIN AMERICA" with the dates "2-3 July 2013" and location "Grand Hyatt Hotel São Paulo, Brazil". At the bottom right, it says "International e-Magazine Platform".
