The screenshot shows the Satcom Post website with a navigation bar (Home, About, Contributors, Archives, Terms of use, News, Contact, English), a search bar, and logos for DATUM SYSTEMS and PRECISION SATELLITE MODEMS. The main content area features an article titled "Intelsat EpicNG – Platform Characteristics" with a world map highlighting Latin America. Other sections include "Connect with Satcom Post" with social media links, "News Feed", "Our Sponsors" (NSR, DATUM SYSTEMS, SEVIS, XipLink), and "Satcom Post is a Gold Event Partner for VSAT2013 LATIN AMERICA". A sidebar on the right contains a "NEWS Satcom Post" van graphic. The bottom of the page lists "SPONSORED" and "TOOLS" sections with various articles and their authors.
